

Art Happenings with Kailua Village Artists

A Local Gallery Co-op since 1987

KAILUA VILLAGE ARTISTS FEATURED ARTIST IN FEBRUARY IS STAINED GLASS ARTIST, BILL JAEGER

Bill Jaeger learned the art of stained glass many years ago, while also working full time and earning a BS degree in Electrical Engineering from Wichita State University and an MBA from the University of Kansas. It was not until he and his wife, Kathleen, moved to the Big Island in 2004 that he had the luxury to completely immerse himself in the art and stretch his creative capabilities. Since then, he has developed a style and skill evident in every piece he makes; each being an original design created out of hand cut glass, then soldered together using the copper foil method.

Bill with Bamboo

This month Bill will be showing a new piece, “Kona Bamboo,” a piece which incorporates bevels and textured glass. He will also be showing other creatures of the sea such as a “Kona Blue Marlin,” “Humu” and several variations of Honus. Additionally, he will feature an unusual Helicopter Kaleidoscope. Fans of his work will be happy to see a full range of local favorites – nightlights, sun catchers, and smaller stained-glass panels as well.

To meet featured artist Bill Jaeger and see his latest work, come and talk story with him at the gallery on Sunday, February 3 or Friday, February 22, 2019. While working in the gallery, he will be demonstrating some stained glass techniques used to create a panel, such as glass cutting and foiling. Bill will also be representing the gallery at Kokua Kailua on Sunday, February 17, 2019.
