

## Art Happenings with Kailua Village Artists

**A Local Gallery Co-op since 1987**

---

### **KAILUA VILLAGE ARTISTS GALLERY IS RE-OPENING ON FRIDAY, JUNE 19, 2020!**

We are happy to announce that the Kailua Village Artists Gallery will re-open again for business on Friday, June 19, 2020, with shorter hours to start. We will be open from 10 am to 2 pm Monday through Saturday, closed Sundays.

Customers entering the gallery will be required to wear a face mask, to comply with the governor's mandate. We will have a hand sanitizing station as you enter the gallery, and two people at a time will be permitted to enter. We will be sanitizing the area between customers to assure your safety.

Jennifer Azzarone will continue to be KVA's featured artist through the month of June. She has lived in Kona for 25 years. Her medium is original photo transfers and paint. She earned a BA with a Graphic Design concentration at the California Institute of the Arts. Jennifer worked at Gemini G.E.L. as a printmaker and worked alongside modern artists such as David Hockney, John Baldessari and Robert Rauschenberg. When she got to Kona, she worked with Architects and designers. This is where she gained the skill and understanding of sites, space and proportion. She has always been attracted to bold subjects, color and text. The boldness of the nature in Hawaii is what has captivated her for years and inspires her work. Among her featured art are "Leaf Kaleidoscope-1" and "Mauna Lani Pond Reflection."

We thank all of you for your continuing support of our gallery and to those who have contributed to our GoFundMe campaign. It is still on going until our tourism picks up.

We look forward to welcoming new and former customers.

Thank you,

Kailua Village Artists
